No. 01 - 2020

**PLEASE NOTE:
SUPERVISION OF STUDENTS IS BETWEEN 8.30am TO 3.30pm ON SCHOOL DAYS.
FROM THE PRINCIPAL**

Welcome Back for 2020

A very warm welcome back to all our families, students and staff for the 2020 school year. I hope that the holiday break was both enjoyable and relaxing for all of you. I take this opportunity to welcome all who are new to St Damian's. I hope that your time here with us will enrich you. We value the contribution you make as a member of our community and we look forward to developing positive relationships with you as we work in partnership for the benefit of the children.

There was a buzz in the school grounds last Friday morning as the Year 1 – Year 6 students returned for the beginning of another school year. Even though the weather was not kind to us, the students all looked happy and excited to be back and reunited with their schoolmates. On Monday morning we welcomed the newest members of our school, the 2020 Foundation Year (Prep) students. Commencing school is a very exciting and special time for the children and their families. It can also be a little bit overwhelming for some and of course the usual tears – from parents and children – are to be expected. It was lovely to have the opportunity to chat with many of our families once the children were settled in their class. I would like to thank our Prep teachers, Mary McArdle, Mary Marotta and Lauren Traficante for their commitment in ensuring a smooth settling in period for the Foundation Year children.

Overall, our school year has started well and all the students have settled into their new classes. We are now looking ahead to another exciting year of learning here at St Damian's.

This year, we extend a warm welcome to some new staff members. Miss Celeste Cocchiara has joined the Year 1/2 team as a classroom teacher. Miss Martina Tran is teaching Year 3, Miss Laura Maguire is sharing a Year 3 class with Mrs Bruce, Miss Hannah Walsh is sharing a Year 4 class with Mrs Janette Tivisini. Mrs Lina Parisot has been appointed as our school Bursar taking over from Mrs Glenda Fletcher who is on LSL for the majority of the year. We hope that all these staff members find their time here at St Damian's fulfilling and exciting.

Coronavirus Update

Firstly, I would like to acknowledge and thank all in our community who have supported us to ensure that our school remains a safe environment. Most especially I thank all the families who have respected the school request to observe the 14 days quarantine period after re-entry into Australia or coming into contact with an overseas visitor. We appreciate and are most grateful for your consideration and look forward to your safe return once again.

School Assembly

We will continue with our assemblies on alternate Friday afternoons at 2.30pm in the Hall. The first school assembly will be **this Friday 7th February**. During this assembly we will present badges to our 2020 School Captains and Sport Captain Leaders. All other curriculum leaders as well as SRC leaders will receive their badges at the following assembly which will be held on Friday 14th February.

School Captains: Justin Lin & Aarchi Khathuria **Vice Captains:** Shreyas Moudgil & Gracie Rocca

Damian House: Captains: Sean O'Connor & Giacomo Aiello
Cosmos House: Captains: Gennaro Tatasciore & Stephanie Comito
Francis House: Captains: Sabine Bossini & Jana Gargaro
Claire House: Captains: Archer Werner & Ava Raso

Prep Information Sessions

We are offering Information Sessions for our Prep families on Tuesday 11th February at 7.00pm. This is an opportunity for our new and continuing families to meet the teachers and become more familiar with school expectations and curriculum. We hope to see as many families as possible at the meeting.

Learning Conversations

The Learning Conversations will be held on **Monday 17th February** from 8.30am until 8.00pm. These will be held in the school hall. Students are not required to attend school on this day as the teachers will be involved in the Learning Conversations, however we expect that the students will be participating in the Learning Conversations. Parents will need to book online for their interview times. Please look out for information regarding these.

EVERY DAY COUNTS LEGISLATION

Going to school every day is the single most important part of your child's education. Students learn new things at school every day – missing school puts them behind. We all want our students to get a great education, and the building blocks for a great education begins with students coming to school each and every day. Whilst family holidays are to be treasured and even more so if visiting overseas, the inevitable repercussion is that students may fall behind with their learning. If intending to take extended leave from school parents are asked to fill in the relevant paperwork available at the office.

For more information on the relevant legislation, see:

<http://www.education.vic.gov.au/school/principals/participation/Pages/attendance.aspx>

Student Absences

Parents are reminded to notify the classroom teacher or the school office if a student is not attending school. This procedure ensures the safety of all students at all times.

Anaphylaxis

It is important that I remind you that we have many students in our school who are at risk of having an anaphylactic reaction. Anaphylaxis is a severe allergic reaction that is life threatening. The most common allergens in school aged children are peanuts, eggs, tree nuts (e.g. cashews), cow's milk, fish and shell fish, wheat, soy, sesame, latex, certain insect stings and medication. The key to prevention of anaphylaxis in schools is knowledge of those students who have been diagnosed at risk, awareness of triggers (allergens) and prevention of exposure to these triggers.

Partnership between schools and parents is important in ensuring that certain foods or items are kept away from the student while at school. Adrenaline given through an EpiPen auto injector to the muscle of the outer mid thigh is the most effective first aid treatment for anaphylaxis. Teachers will be sending home a letter informing you if there is a child in the class at risk of anaphylaxis. Please look out for a letter from your child's class teacher asking for your assistance to minimize harm to these children at risk of having an anaphylactic reaction and the associated triggers. I encourage you to take particular notice of this letter and I also encourage all parents to discuss the severity of anaphylaxis with their children. At St Damian's our policy also states that students are never to share food or buy food from the canteen to give to other students. This ensures that as a school, we are taking every precaution to ensure the safety of students who are at risk. Our Anaphylaxis Management Policy is available on our school website: www.sdbundoora.catholic.edu.au.

SCHOOL SAFETY & CHILD SAFE STANDARDS

As a matter of child safety, parents are reminded that the school's **Duty of Care** regarding supervision of students **begins at 8.30am and concludes at 3.30pm every school day**. No child should ever be left unattended at school outside of these times. Our school protocols are that students gather on the top basketball court around 8.30am where there is a teacher already on duty.

The music begins at 8.40am when teachers come out to collect the children and walk them into the classroom so they can ready themselves for the beginning of the day. Meditation begins at 8.45am. The children will also line up on the basketball court after each recess break and be taken into class by their respective teachers. At the end of the day all students will be dismissed from their classrooms to allow them to meet with parents/ guardians or grandparents at the agreed meeting place.

Any student arriving late must be signed in at the school office by an adult. Then the student will enter the buildings via the office area. All external doors will be locked at all times to ensure everyone's safety and that we know who is in the school and on the property at all times. All messages and items to be given to students must be done through the school office.

Parents entering the school building must sign in at the office and collect a visitor's badge. We expect that parents work with us on this because, as a school, we are mandated to comply with Child Safety Standards as well as ensure we have appropriate emergency procedures in place.

Parents wishing to speak with teachers should communicate via email, phone or by making an appointment at a mutually suitable time.

The garage area is a space where adults are able to sit and wait for their children. **We would appreciate parents not entering corridors, or open areas in the morning or in the afternoon** as the noise can be very disruptive to the children's learning.

School Hats

St Damian's school is a Sunsmart school. This means that we expect all our students and staff to be wearing hats when outside during high UV periods, mainly in Term 1 and Term 4. Therefore, we ask all parents to ensure that your child(ren) have their **school hat** to wear when at school. *Australia* has one of the highest rates of *skin cancer* in the world. Anyone can be at risk of developing *skin cancer*. The majority of *skin cancers* in *Australia* are caused by exposure to UV radiation in sunlight. Hence our school policy: **NO HAT NO PLAY**

School Uniform

It is an expectation that students wear the correct school uniform at all times. This includes wearing school shoes, not black runners. School shoes should be **plain black leather**, which is much healthier for growing feet. Runners (whatever colour) should only be worn on sport days with school sport uniform. We also ask that students **do not** wear jewellery to school as this can easily be lost and can cause distress to both students and families. Only sleepers or stud earrings should be worn as a safety precaution. NO dangly earrings, nail polish or other accessories to be worn with the uniform, this includes hair accessories please.

Holidays

School Holidays (term breaks) are determined by the Education Department for all schools at particular times of the year. If parents decide to take holidays outside these times, an application form must be filled in with the relevant times and reason for the leave period. Whilst we understand that taking holidays outside of holiday periods is cheaper, the absence from school will have a detrimental impact on the student's learning. Parents should carefully consider the benefits of keeping children out of school for long periods of time as the learning in the classroom continues in the child's absence. Catching up with missed work is often difficult for students once they return.

Communicating with teachers

Effective home - school partnerships rely on positive relationships being established. One way to ensure this happens is to have good communication between teachers and parents. Our teachers' main job is to teach the children, therefore they may not always be available to speak with parents. For minor issues, parents can 'catch' a teacher when they collect their class in the morning. However, for important issues it is necessary to set aside appropriate time to meet. I encourage parents therefore to communicate via email or preferably make an appointment with the teacher so that issues or concerns can be addressed calmly and appropriately. Parents should also note that when sending an email, the teacher may not be able to respond immediately as they are usually involved with classroom duties. Parents should expect an answer to their email within a 24-48 hour period and only within business hours. Teachers will not respond to emails before 8.30am and after 5.30pm. Thank you for understanding.

Protocols for Addressing Issues

There may be times during the year when a concern arises, this could be a behaviour or an academic issue. These should be addressed with the classroom teacher in the first instance, as the classroom teacher has the most knowledge of the issue and knows the child best. If the issue continues to be a concern, then the Principal may need to be involved and an appointment made to meet. At no point should parents ever approach another child regarding an issue. This is not appropriate and certainly not helpful to anyone as this can exacerbate the situation for all parties and rarely leads to a resolution. I refer parents to the Code of Conduct which outlines expectations of all in the community.

School Photos

School Photos will be taken on Thursday March 19. Further information regarding ordering, etc will be sent home closer to the date.

Education Board

The school Education Board will convene very soon. We will be looking for some new members as vacancies were created with the retirement of some members at the end of last year. Being a member of the school Education Board creates opportunities to better understand and contribute to the school. Meetings are held six (6) times in the year and the appointment period is for 2 years. Parent members have the opportunity represent their year level and gain input into the overall running of the school. Please consider coming on the Board for 2020. We would truly welcome you.

Car parking

Car parking is very challenging here at St Damian's due to a limited number of car spaces. Whilst we acknowledge that everyone is very busy and that time is limited, it is not appropriate for parents to use the Parish area, Irabina parking nor the parking bays outside the OHSC as these are reserved for staff. Irabina is a private company and therefore the parking there is for their clients. That area does not belong to the school and should not be used by parents as a pick up or drop off point. The only available area for parking is the front bottom section of the school grounds. Unfortunately there is limited parking so if this area is full, parents will need to park elsewhere. Double parking is not permitted, nor is parking along the entrance/exit. Parents are also reminded that the **gates must only be opened or closed by staff**. If we all do the right thing then our students will be safe and will also learn, through your modelling, what the expectations are and how to follow these. Thank you everyone for understanding.

Prayer for the Week:

Lord God of all Creation. We ask you to bless our students, families and staff throughout this year. Help all in our community to be the hands, heart and voice of Christ as they work and learn together.

Have a great week,

Rosanna

Faith News**Sacrament of Reconciliation**

Later this term, our Year Three students will be celebrating the Sacrament of Reconciliation on Wednesday, 25th March at 7:00pm in the Church. Further details regarding the Sacrament of Reconciliation will be sent home over the coming weeks.

Sacrament of Confirmation

Early in Term Two, our Year Six students will be renewing their baptismal promises and professing their faith as they celebrate the Sacrament of Confirmation on Sunday, 3rd May at 2:00pm. We pray for them as they prepare to participate in the full outpouring of the Holy Spirit as once granted to the Apostles on the day of Pentecost. Further details regarding the Sacrament of Confirmation will be sent home over the coming weeks.

Sacrament of Eucharist

Our Year Four students will celebrate the Sacrament of Eucharist on the weekend of 22nd / 23rd August. Further details regarding the Sacrament of Eucharist will be sent home in Term Three.

Bookings for the Sacrament of Eucharist

Online bookings for the Sacrament of Eucharist will open next Monday, 10th February at 10:00am. The website is www.schoolinterviews.com.au and the code is s4hse. All students, whether they are receiving the Sacrament of Eucharist or a Special Blessing, will need to book online. Bookings close Monday, 17th February at 4:00pm.

Sacramental Evening

Our Sacramental Evening will take place on Wednesday, 4th March at 7:30pm in the School Hall. Maria Forde will be our guest speaker for the evening. This evening is a parent only event and although it is aimed towards parents of students in Years Three, Four and Six, all parents are welcome to attend.

Important Sacramental Dates for Term One

Sacramental Evening (parents only): Wednesday, 4th March at 7:30pm

St Damian's Parent's Association News

The St. Damian's Parent's Association (formally known as the Parent and Friend Committee) consists of a group of parents who work together on fundraising events for the benefit of our school community. It has an important role and provides important services to our school community such as:

- Promoting a sense of community spirit within the school through organizing activities and events
 - Managing school fundraising activities
- Providing an opportunity for parents to connect and make friends
 - Managing the 2nd hand uniform shop
 - Operating school banking and book club
- Organising school stalls such as Mother's and Father's Day stalls

The St. Damian's Parent's Association will hold its first meeting on Friday 14/2/20 at 9am in the foyer of the school hall. All parents are welcome to attend and we are keen for new members to join to support the current members with fundraising events planned for 2020. We hope to see you at the upcoming meeting!

Please indicate child's name and class.

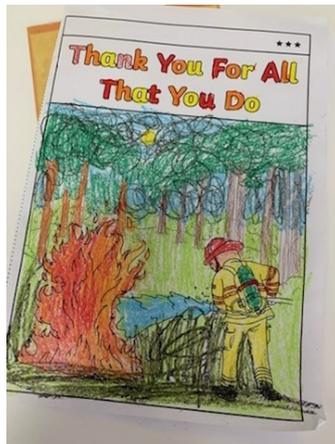

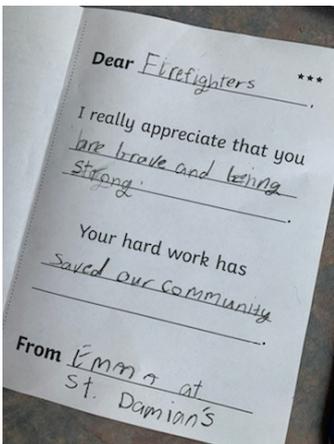

Wellbeing

Welcome Back to an exciting new year at St. Damian's.

SWELL Week has kicked off the year with great enthusiasm and positivity for our school community. In class groups, in levels and as a whole school, the students and teachers have spent the week establishing classroom expectations and building positive relationships. Class discussions have centered around; "What makes a Good Student" 'What makes a Good Teacher' and classes have also spent time breaking down the 3 school expectations and discussing what this looks like in the classroom, outside in the yard and during specialist classes.

The week has included focuses on Conflict Resolution, Teamwork, Respect and Cooperation. As a school community classes also took the time to reflect on the bushfire season and some classes have written letters of gratitude to the firefighters in our community.

Our prime goal is to build teacher and student relationships. With this solid foundation in place, statistics show us that students will achieve greater success in their learning and flourish.

Now that the foundations have been set, students and teachers will launch into the business of learning and teaching with an open and positive mindset.

Included in this newsletter is some information on parents building relationships with teachers and why this is so important to your child's wellbeing and academic success.

Building healthy relationships with teachers—by Michael Grose

As a former primary school teacher with 15 years experience and a parenting educator with 30 years experience, I've learned a great deal about the importance of healthy relationships between a child's parent/s and their teacher. I hold a Master of Educational Studies from Monash University specialising in parenting education, a Bachelor of Education and a Diploma of Primary Teaching from SCV Toorak University (now Deakin University). I've done the theory and I've also put my boots on the ground. Uniquely, this has allowed me to appreciate perspectives from either side of the school gate. Studies show that healthy parent–teacher relationships are a more significant factor in student success than parent income levels or social status. Parent–teacher relationships require effort and energy from both parties if they are going to really benefit children and young people. Here are some strategies to help you build a healthy working relationship with teachers in the year ahead.

Get to know them

For your partnership to be meaningful and successful, you need to meet with your children's teacher(s) with the goal of forming a respectful professional relationship. Be willing to share your aspirations for your child and be willing to build the teacher's knowledge about your family. For balanced perspective, also gain an understanding of the teacher's approach and what focus areas they have for their particular year group. This can be done formally by attending start of the year information evenings and informally through conversations, reading newsletters and staying in touch in digitally and in real-time.

Trust their professionalism

Children need to know that their parents are fully behind what their teachers are trying to achieve if they are going to commit fully to learning. The best way to support your child's teacher is to trust their knowledge, professionalism and experience. Avoid the temptation to question the expertise of teachers in front of students, particularly when the teachers use methods that you are unfamiliar with. Initiate conversations with teachers around methodology to give them the chance to explain the approach they are taking.

Go through the right channels

Despite the best teaching practices things do go wrong at school. Kids experience learning difficulties. Conflict and peer rejection happen. Kids will often come home from school with grievances, and call on you for assistance. Resist the urge to react emotionally. If you need to contact teachers do so respectfully, calmly and through the correct channels. A measured response will generally achieve the best result for your child.

Utilise their resources

Teachers and schools often put a lot of work into sourcing and sharing credible resources that they think will help parents. Take the time to read, utilise and enjoy the information provided to you. It's intended to make your parenting journey easier, which will also benefit your child not just at school, but at home. If your school doesn't yet have a clearly defined source in place, consider suggesting one to the teacher, such as the Parenting Ideas [memberships for schools](#).

Build links to student learning

There's a huge body of research that points to the correlation between parent engagement in student learning and their educational success. If you want your child to improve their learning, take an interest in what they are doing. Follow school and teacher guidelines about helping at home and attend as many conferences, meetings and events involving your child as possible. This strategy has a significant, long-term impact on your child's attitude to learning.

Stay in touch

Life's not always smooth sailing for kids of any age. Family circumstances change. Friends move away. Illness happens. Mental health challenges can hit anyone at any time. These changes affect learning. Make sure that you keep teachers up to date with significant changes or difficulties that your child or young person experiences so they can accommodate your child's emotional and learning needs at school.

Be loyal

Show your loyalty to your child's teachers by being an advocate. Talk positively about your child's teacher and school, rather than being negative about them when speaking in the wider community. Teachers hold very public positions and generally work hard to build good reputations both within their school and their wider education community. Consider a teacher's reputation among the community and also with children when you discuss educational matters with others.

Building healthy parent–teacher relationships doesn't just happen

It takes goodwill from both sides, a commitment to setting aside the time necessary to support the home-based learning tasks that are expected, and a willingness to communicate both concerns and commendations through the correct channels.

NEW BOOKS

Volunteers Needed

The school has purchased some fantastic new resources to support our students with Reading. These books will be used in class by all levels from year 2-6 in 2020.

We are in desperate need of parents who might be able to volunteer their time early next year to support our Library assistant- Kath Andrews to catalogue and also label storage boxes. We will have 350 sets of books requiring processing in order for our teachers to be able to use them early next year.

If you have half a day or several hours a week to spare and would like to support the school with your time to assist us, please contact the school and ask to speak with Mrs Dragonetti- Literacy Leader. Alternately please leave a note at the school office with your name, child's name and class and your preferred day and times. Please address attention to Mrs Dragonetti.

If you could let us know by the end of next week that would be great.

Thank you

Mrs Dragonetti
Literacy Leader

Dear Parents/Guardians,

St. Damian's School Banking team needs your help. With 2 out of 4 school banking volunteers leaving at the end of this year, we need to recruit new volunteers to ensure school banking can continue to be made available for our students.

Unfortunately, if there are no new volunteers school banking will not be able to continue in 2020. If you are able and willing to commit 1 to 1.5 hours every Tuesday morning during school term, please contact school:
info@sdbundoora.catholic.edu.au

Volunteers only process school banking deposits and rewards. Training will be provided. Your assistance would be much appreciated.

Thank you.
School Banking Team.

School Banking will
commence on
Tuesday 11th February
